

Maine Event
Whitewater Weekend July 6 & 7, 2013
W. Forks, Maine

Due to low turnout and lack of familiarity with the river both races were conducted as river cruise/clinics.

Paddlers wore bib numbers and times were recorded but the pace down the two rivers was generally leisurely. Overall, a laid back two days of fun paddling & warm weather.

7/6/13 Lower Kennebec, 4800 cfs.
Carry Brook to W. Forks Ball Field
7 miles, class 2-3

K1 Long	55:15	Emmanuel Boss
