

2014 MaCKRO FLATWATER RACING SERIES

Summer is fast approaching, and with it comes flatwater racing! The major change in the rules for 2014 is including any weekend flatwater races listed on the race schedule in addition to the Thursday evening races. The weekend races have been added since in the past several years some weekend race directors have stated they would like to be part of the series. It also gives the weekend warriors a chance to accumulate some points.

The Rules:

#1: You must be a current MaCKRO member in order to accumulate points.

#2: One point for each flatwater race series race attended.

#3: Eligible races are any flatwater race held in Maine from the Baskahegan Stream Race through the last Stillwater race. The race and the results must be posted on the MaCKRO website.

#4: One point to members participating in New England, National, or World Championship events which happen during a scheduled flatwater race in Maine. These out of state races can be white water races.

#5: A minimum of 6 races is required to be eligible.

#6: A maximum of 12 points can be earned.

#7: An additional point for each of the Stillwater champion (bragging rights) races can be earned.

#8: Lifejackets must be present per Maine Law, or worn if under age 14, per Maine Law.

Consult the race schedule on the MaCKRO website for any flatwater Thursday evening or weekend races.
