

2015 MaCKRO FLAT WATER RACING SERIES

Summer seems to be upon us, touch and go some days. We have a couple changes to the rules for 2015, primarily around what races qualify for points and how points are accumulated. It seems in years past for each race, 1 point was tallied per race competed in, up to 12 points. This year, a set maximum number of points is not attainable. If a race qualifies, you get a point for competing.

Rules:

1. You must be a current MaCKRO member in order to accumulate points.
2. One point for each flat water race series race competed in.
3. Eligible races are any flat water race held in Maine from the Baskahegan Stream Race through the last Stillwater race. The race and results MUST be posted on the MaCKRO website.
4. One point to members participating in New England, National, or World Championship events which happen during a scheduled flat water race in Maine. These out of state races can be white water races.
5. A minimum of 6 races is required to be eligible.
6. No maximum number of points is attainable. If it fits, it scores.
7. An additional point for each of the Stillwater champion (bragging rights) races can be earned.
8. If a tie breaker is needed it will be determined by finish place in the Stillwater championship (bragging rights) races.
9. Lifejackets must be present per Maine Law, or worn if under age 14, per Maine Law.

Consult the race schedule on the MaCKRO website for any flat water Thursday evening or weekend races.

Please check with Bob Miller if you are uncertain about membership status. We look forward to seeing you all on the water. Paddle hard, paddle safely! Mark Risinger, Flatwater Chairman
